## JUNMAI GINJO

### MOMOKAWA | SILVER

Our Momokawa Silver is crafted using proprietary yeast and rice polished to Junmai Ginjo grade.

It's an idea. An attitude. A belief that there is something more just waiting to be discovered. It drove the pioneers across the Oregon Trail and our microbrew and winery friends to change laws and start a revolution in craft beverage that has become a hallmark for Oregon.

Momokawa is America's premier craft saké brand, brewed with that revolutionary passion to craft the greatest possible expression of what we love.

### TASTING NOTES

Light, crisp, and dry mouthfeel with hints of mineral and citrus. Green apple, melon, and spice on the nose.

### SUGGESTED PAIRINGS

Delicious with traditional Asian cuisine, light fish, and chicken dishes.
