

# HAKUTSURU SAKE

## Plum Wine “Slim”

### HAKUTSURU | PLUM WINE “SLIM”

Hakutsuru is located in the famed Nada district of Kobe, a leading saké production area. The name Hakutsuru means “white crane.” The crane’s reserved character and graceful appearance, along with the cultural association of seeing a crane in flight as an auspicious sign, makes the crane an ideal symbol to represent the excellent quality of Hakutsuru’s saké.

A lower alcohol alternative to Hakutsuru Plum Wine, this slimmer bottle contains a more delicate Plum Wine.

Hakutsuru Plum Wine “Slim” is produced from choice Japanese plums called “ume,” Nada’s famed natural spring water from Mount Rokko, and a highly developed fermentation technique.

### TASTING NOTES

With delicate plum aromas, pleasant fruit tones, and slightly tangy notes, this wine represents an ideal balance of sweetness and tart, perfect as an apéritif or dessert wine.

### SUGGESTED PAIRINGS

Delicious with artisan cheeses, breads, or desserts.

### BREWERY

Founded in 1743 in the Nada district of Kobe, Hakutsuru is the #1 selling saké brand in Japan.

Elegant, thoughtful, and delicious saké defines Hakutsuru, but tireless innovation places it in a class of its own.

Whether it’s understanding water sources at the molecular level, building a facility to create one-of-a-kind yeast, or developing its own saké-specific rice, Hakutsuru Nishiki, it’s the deep dive into research and development that explains Hakutsuru’s ascension to the top of a centuries-old craft.
