BREWERY

Nestled into Oregon Wine Country in Forest Grove, the SakéOne Kura taps into some of the country's best water with each premium craft brew it produces.

SakéOne is America's first commercially successful craft saké brewer and

complements its own premium products with a growing portfolio of fine Japanese imports.

Driven by uncompromised quality and a commitment to saké education at the wholesale, retail and consumer levels, SakéOne is focused on expanding the enjoyment of premium sake in the United States.

JUNMAI GINJO DEFINED

Pure saké made with rice polished 51-60% with nothing added. Junmai Ginjo is a super premium level saké.
