### YOMI

According to Shinto mythology, Yomi means "world of darkness" or "an afterlife" where one goes after death. This story inspired us to craft a saké meant to be consumed each day as the sun sets, when we seek refuge from our daily responsibilities and burdens and revel unchained and uninhibited.

Introduced in early 2019 as the first canned saké in America, this premium-level saké is innovative, bright, and refreshing, and will complement almost any food or occasion. Both approachable and complex, Yomi is always ready to be enjoyed in your desired world of darkness.

### TASTING NOTES

Refreshing and hedonistic with delicious notes of melon, cherry, red berries, light cream, and subtle mochi. Medium body with purity of flavor and plenty of attitude.

### SUGGESTED PAIRINGS

Delicious with street tacos, artisan sandwiches, tapas, paella, and of course, sushi.
