BREWERY

Murai Family's passion is evident in nearly 200 years handcrafting some of the finest saké in Aomori Prefecture under the name Momokawa Brewing of Japan. The Murai Family inherited brewing rights from Miura, a brewery that ushered in the modern era of saké in the 1800's, at the end of the Edo (Samurai) Period. In the U.S. their saké is presented under the Murai Family name and each bottle is recognized by the Nebuta Warrior image, widely known from the famous Aomori Summer Festival. Like that warrior emblazoned on their bottles, the Murai Family portfolio is fueled by a fierce, multi-generational passion for re-defining perfection.
