

EXCELLENT

JUNMAI

*100% Premium Junmai
— Made in Japan —*

Excellent Junmai is well-balanced, medium-dry, and full-bodied. Brewed with a 280 year old traditional technique. Both classic and versatile, it pairs well with a variety of dishes.

Brewed and bottled in Japan, this box sake rises above the competition. Hakutsuru's Excellent Junmai is quality sake brewed using 100% Japanese sake rice and the world famous Nada water of Kobe, Japan.

This convenient bag-in-a-box packaging allows for the perfect pour and creates lasting freshness while reducing waste.

Excellent price per volume value allows you to increase sales by tempting your customers with a Junmai sake that is delicious from the first sip to the last drop.

Perfect at any temperature from chilled to hot. Whether pouring by the glass or tokkuri!
