

FROM JAPAN'S #1  
SELLING SAKE BRAND

*Hakutsuru  
Excellent Junmai*

*The Box*

**Authentic.** Brewed and bottled in Japan, this box saké rises above the competition. Hakutsuru's Excellent Junmai is quality saké brewed using 100% Japanese saké rice and the world famous Nada water of Kobe, Japan.

**Convenient.** Allows for the perfect pour and its bag-in-a-box packaging creates lasting freshness and reduces waste.

**Smart Buy.** Excellent price per volume value allows you to increase sales by tempting your customers with a Junmai saké that is delicious from the first sip to the last drop.

**Versatile.** Perfect at any temperature from chilled to hot whether pouring by the glass or tokkuri!

*The Saké*

Excellent Junmai is well-balanced, medium-dry and full-bodied saké brewed with a 250 year old traditional technique. Both classic and versatile, it pairs well with a variety of dishes.
